Special Programs

PINCHAS ZUKERMAN PERFORMANCE PROGRAM

Regular videoconference lessons are provided for MSM students enrolled in the Zukerman Performance Program. Each student is given access to our online digital library to review their recorded lessons and continue the learning process.

THOMAS HAMPSON TELEMENTORING PROGRAM

Selected MSM voice students receive telementoring videoconference sessions with noted American baritone Thomas Hampson.

Live Webcasts

Manhattan School of Music is proud to present a number of returning webstream programs this season, with an exciting lineup of internationally-renowned artists showcased in this cutting-edge digital medium.
ROBERT MANN STRING QUARTET INSTITUTE

The legendary violinist and longtime Manhattan School of Music faculty member coaches young, up- and-coming string quartets in a series of public master classes from the William R. and Irene D. Miller Recital Hall, that will also be simultaneously broadcast live.

Thursday January 3, and Friday January 4, 2013
2:00 PM
The William R. and Irene D. Miller Recital Hall
Robert Mann, violin
Live webcast and mobile streams available at http://dl.msmnyc.edu/live

THOMAS HAMPSON VOCAL MASTER CLASS & WEBCAST

The renowned American baritone and Manhattan School of Music Distinguished Visiting Artist returns for his annual visit to coach audition-selected voice students on masterpieces from vocal literature.

This event will be presented before a live audience in the Gordon K. & Harriet Greenfield Hall and simultaneously streamed on the internet. The class will also be available through Thomas Hampson’s InstantEncore iPhone/iPad/iPod Touch (iOS) app, available free in the Apple App Store by searching “Thomas Hampson”, as well as the Thomas Hampson Android app, now available in the Android Market, also under “Thomas Hampson”.

Tuesday March 19, 2013
4:00 PM
Gordon K. & Harriet Greenfield Hall
Thomas Hampson, voice
Live webcast and mobile streams available at http://dl.msmnyc.edu/live
INTERNATIONAL STUDENT CONCERT & WEBCAST

Members of Manhattan School of Music’s international student population come together to perform in a unique concert showcasing their many talents, as well as pieces by composers from their home countries. Presented for the eighth time in collaboration by the International Student Organization and the Distance Learning Program, the concert will be attended by a live audience at the same time that it streams live on the Internet. The event will also be available on mobile devices such as iPhone/iPad/iPod Touch (iOS), as well as Android and Blackberry smartphones.

Tuesday April 16, 2013
7:30 PM
The William R. and Irene D. Miller Recital Hall
Live webcast and mobile streams available at http://dl.msmnyc.edu/live

Masters at Manhattan Online

This long-running series showcases collaborative master class programs. Featuring distinguished faculty members from Manhattan School of Music and their counterpart colleagues from around the world, educators engage each other’s students in a one-of-a-kind pedagogical exchange via interactive videoconferencing technology.
