

The video conference project will help Four Winds to

## **Grow & Flourish**

because it will allow us to...

Inspire our local students and local community to expand their musical horizons.

Make the world our stage, creating an impact far beyond our region.

- Attract brand new audiences for our work.

Share and exchange beautiful musical content with the rest of the world.

Overcome geographical isolation by bringing students and teachers in our region face to face with experts from around the globe.

Build partnerships with musical establishments like Sydney Opera House, London Symphony Orchestra and Manhattan School of Music.
